

Roller Skate

Color +Stitch Guide

Star

DMC 967 (Light Apricot)

Stitch Suggestion: Satin stitch to create a smooth, polished look.

Outline with a backstitch or split stitch using DMC 310 (Black) for definition.

Wheels

DMC 445 (Lemon Yellow)

Alternative Green: DMC 504 (Soft Green)

Stitch Suggestion:

Outer edge: Split or stem stitch for a defined, circular outline.

Center: Satin stitch for a smooth finish, or French knots for texture.

Laces

DMC 3813 (Pale Mint Green):

Stitch Suggestion: Chain stitch to give the laces a slightly raised, textured effect.

Stem stitch is a sleek alternative.

Roller Skate

Color + Stitch Guide

Accent Stripes

Pink (Triangle Section):

DMC 967 Alternatively, use DMC 760

Blue (Base Section):

DMC 3747 or 828

Platform/Base

Blue Section: DMC 3747 or 828

Pink Section: DMC 967

Stitch Suggestion: Satin stitch for smooth color blocks, with backstitch outlines in DMC 310 (Black).

Outlines (Black)

DMC 310: Use this for outlining the entire design to make each section pop.

Stitch Suggestion: Backstitch for bold, crisp edges, or split stitch for a slightly softer texture.
